

Please leave XM Radio alone!! As a paying subscriber, I should be able to listen to the programing provided by the XM company without the interference of outside organizaitions. XM provides a valuable alternative broadcast and continues to allow subscribes to enjoy services not available elsewhere. The NAB should not be able to determine what I listen to. Please reject the NAB's petition 04-160 and support XM Radio and my right to listen to the programming I subscribe to and deserve.
